A naturally weathered stone appearance makes Tobermore Tegula the ideal choice for a landscape scheme where aesthetics and style are the primary considerations.

Displaying a timeless elegance, Tegula can match the traditional splendour of a period design or add character to a modern environment.

Harmonising with the existing environment and architecture, Tegula is the ideal product for conservation schemes. It is also ideal for domestic applications, pedestrian precincts and landscaped schemes. Tegula provides a surface which is easily trafficked by pedestrians, prams, wheelchairs, vehicles etc.
