Sienna Duo Silver

Silver

Graphite

Sandstone

**Note:** Light coloured blocks emphasise tyre marks and oil spills on the driveway. It must be accepted that these products will need more maintenance if the overall appearance is to be maintained.

Also available as  
**Hydropave**

Hydropave is a permeable paving system that reduces the risk of flooding and pollution. Available in the Sienna range.

The sparkling granite aggregate surface layer of Sienna produces an effect that is strikingly similar to natural granite.
