Garden Stone

Free-standing double sided wall.

Garden Stone is a tapered block and is faced on both sides which makes it ideal for creating curved features, planters or for separating areas within the garden. Garden Stone is an ideal DIY walling product which is mortar-free and therefore can be installed quickly with unskilled labour. The blocks are simply glued together and the joints do not require pointing.

Size

- Double sided
- Cost-effective
- Easily installed
- Ideal for DIY
- Simply glue together
