Tobermore COVID-19 pandemic update

Tobermore staff are working from home and remain available to answer any queries you have. Tobermore production facilities and paving centres are temporarily closed due to the unprecedented situation with the COVID-19 pandemic. Tobermore have made this decision due to the most recent government guidance. And as a responsible employer Tobermore want to ensure the protection, health and welfare of our employees.

Many of our employees remain working from home and are available to answer any queries you have via phone, e-mail and Live Chat.

Tobermore will monitor the situation closely and will re-open fully for business as soon as it is deemed safe to do so.

Thank you for your continued support and understanding. Please don't hesitate to contact us if you'd like to discuss further.
